Ofsted: As some of you may be aware, we have recently had our Ofsted inspection, our rating from this inspection was a GOOD. As this was Janine's first inspection as the registered person the highest rating they will award is Good so we got the best we could have. All the staff Ladybirds pride themselves on putting children first. We are ecstatic with this result and are very proud of all our staff members and our wonderful children. The full report is available to view on the Ofsted website.

Changes to our team: Chantelle has been promoted to deputy manager full time therefore shall no longer be working in the toddler room full time. We would like to congratulate her on all her hard work and are excited to see her in action in her role. Sam is the newest member to our ladybird family. She will be taking over Chantelle's role of toddler room leader, She brings to Ladybirds a calm and nurturing nature and has previous experience with toddlers, she also has a degree in early childhood studies. Unfortunately Jade has decided to go on new ventures. She is going to pursue a career in barbering in a local salon. She has been a fantastic member of our Ladybird's family and a real pillar of support for many members of family and our lovely Ladybirds families. We wish her all the best in her new career and will miss her terribly.
