## Newsletter: March 2020

### What's New?

**New Staff member:** We are delighted to have welcomed our new apprentice Isabel (Izzy) to Ladybirds over the last couple of months, she has settled in really well and is definitely popular with the children. Izzy will be mainly based in our Toddler room but will also be gaining experience in the other rooms at times.

**Toddler room:** Due to demand we have made the decision to introduce children to our toddler room from 18 months old instead of when they turn 2 years old. We will ensure that the children are settled into the room as they would be when they reach 2. If you are not made aware of your child's new key person please do not hesitate to ask.
