

## Newsletter: May 2017

### CONGRATULATIONS!!!!

We are very happy to announce that Rhian is expecting a baby, this is our first Ladybird baby in nearly 7 years so lots of excitement all round! We would like to take this opportunity to congratulate Rhian and her Partner Brett in this exciting journey to parenthood.

### Medicine:

The EYFS has now been updated and there are new guidance on the giving of Paracetamol and Ibuprofen. I know this has been quite a frustration in the past but we hope you understand we were only following the legislation.

We can now give Paracetamol and Ibuprofen to children without having a prescription label. We must follow the dosage on the medication and have parental permission.

We do still need to have the prescription label for specific medications such as prescribed creams or antibiotics.

### Graduation Photo's:

Hopefully you have seen the notice on pre-schools door, on Wednesday 17<sup>th</sup> May we are hoping to get all children who will be going to school in September this year to have a Graduation photo. We have changed our photography company to tempest and they will be here ready for 9am. If your child is not booked in please try to make this so the children can have a photo with their nursery friends.

When I grow up Charity day:

If your child is in on Friday 26<sup>th</sup> May please help us to raise money for Crackerjacks a charity for children with additional needs by dressing your child in what they want to be when they grow up and make a donation of £2 on the day.

Easter Fair:

A massive thank you to all who attended our Easter Fair, we raised over £300 once we had collected what was in the charity boxes. A huge thanks to the staff who gave up their time to support the day and help during the week to get everything ready.

Sun cream and hats:

Please can parents bring in labelled sun cream and hats ready for the summer months.
