

Ladybirds Day Nursery

Newsletter: September 2020

What's New?

Firstly, welcome back everyone who has been away over the lockdown period as well as welcome to our new families. We hope you have all kept well and that you are all excited to get back to some normality. There has been a few changes in the nursery that we wanted to update you on, these changes are mainly staff but don't worry we've still got lots of familiar faces in each of the rooms.

-We are incredibly sad to announce that Georgia resigned in August to follow a new career in care work. We would like to thank her for the last few years she has been with us and wish her all the best in her new adventure.

-As most of you were aware Chantelle was pregnant and if you haven't seen via our Facebook page, she has had her little girl Darcie and is at home getting used to being a family of 3. Chantelle chose to step down as deputy manager early in the year which means that Lily stepped up into that role in March.

-Another surprise for those who haven't been in the setting is that Danni is also pregnant and is due in November.

So, with all these changes it means we have recruited more Ladybirds!

We have Esme, who has taken on the role of Pre-school room leader, Kirsty who is going to be working in the baby room and a new apprentice Alicia who will mostly be working between the baby and toddler room.

Covid-19 procedures

Please keep up to date with our policies and procedures on our website:

<https://www.ladybirdsdaynursery.co.uk/covid-19-coronavirus/>

Invoices

As there have been many changes to children's days/hours and start dates I'd like to apologise now if your invoice may need amending. Please e-mail me on ladybirds0101@gmail.com if you need anything changing and I will get back to you as soon as possible, thank you Kayleigh.

Funding Dates and info:

Please find this years funding dates on our website:

Usborne Books

Emily Oak is a new parent at the nursery and is an Usborne Independent Organiser. Get in touch with Emily if you'd like any details on her Usborne books and to place an order! She is happy to help with any recommendations and requests. Quote Ladybirds when ordering to gain free books for the nursery! So many amazing books to choose from for a range of ages from babies to young teens! :)

Contact Emily by text on 07837910075 or visit her Facebook group by searching 'The Oaks Book Club' in the search bar!
