

Newsletter: September 2017

Don't forget we have our **Pyjama Coffee Morning on Friday 29th September from 9.30am-10.30am.**

Donations of £1 to wear PJs and bring your change to buy some treats.

Any parents who are star bakers (or even average bakers!) and can spare some time to bake something for the morning, that would be a great help. Any containers should be clearly labelled with your child's name so we can return them and ingredients used please.

If you don't fancy baking but still want to support then shop bought cakes will also be gratefully received!

PLEASE REMEMBER ALL CAKES NEED TO BE NUT FREE

Jess is coming back!!

After exploring the big wide world outside of Ladybirds for a few months Jess has decided that she's missed the rewarding job of caring for children and we are pleased to welcome her back into our Ladybirds Team on 2nd October.

As her position in the baby room has been filled she will be taking a role in Preschool especially as Rhian will be going on Maternity Leave in a few weeks.

We have a new Slogan:

We have been thinking about our slogan, and wanting to change it for a while. After discussions with the staff we looked at what we want it to portray to others, with the main focus being, that our nursery is not a nursery laid out to please adults, it is an environment for the children to learn and develop in; this is when Michelle came up with the new slogan:

'It's a child's world ... and that's how we like it'

It's a reminder to everyone that sometimes we need to take a step back as adults and think about the world from their perspective and appreciate that they are only young for a short time so let's make it fun.

Parking:

Unfortunately we have had a few complaints from local residents about parking on double yellow lines outside the school and nursery. We know that when you are only making a quick drop off and pick up it is very tempting to park just outside however this is a safety risk to children and other road users especially when people park so close to the roundabout.

Because of the complaints further action has been taken and a traffic warden will be doing random spot checks.
