

Ladybirds Day Nursery: Activity Plan

Activity Name: Car Tube	Target age group: Toddlers and Preschool
-----------------------------------	--

Activity Description:

This activity will be great for transporting schemas as well as adding the element of competition, turn taking and calculating length with numbers. You could get the child to mark where their car lands and that would link to making meanings to marks they make and if they can you can encourage them to write their name next to their mark too. Talk to the children about whether the cars go faster or slower the more you tilt the tube up and down.

Resources Needed:

Tube/drain pipe
Paper with Numbered line
Cars that fit in the tube

EYFS:

PSED		CL		PD	
MR	SCSA	LA	U	MH	HSC
MFB		S			
L	M	UW	EAD		
R	N	PC	EUMM		
W	SSM	TW	BI		

COEL:

Playing and Exploring: Engagement
 Finding out and exploring
 Playing with what they know
 Being willing to 'have a go'

Active Learning: Motivation
 Being involved and concentrating
 Keeping Trying
 Enjoying achieving what they set out to do

		T		Creating and thinking critically: Thinking Having their own Ideas Making Links Choosing ways to do things
Key Vocabulary / Open ended questions				
How can we.....? How did.....? What else could we add to make it different? Is there another way we could do that? What would happen if....? What do you think about....? What would you do.....? Which part did you like best? Farthest Measure Numbers Slope Ramp
