## Reminders

### Consumable fees-

We are trying to keep our costs as low as possible and we have never charged for consumable fees, but we do ask to make sure parents are supplying nappies, wipes and suncream as at the moment we are spending a lot of money on these and will have to look into charging a consumable fee if this continues.

If your child requires breakfast, please bring them to nursery before 8.30am as after this the children are in transitions to group times or garden times.
