

What we want our babies to be able to do.....

Personal, Social & Emotional Development

Making relationships- To play cooperatively with other children.

Sense of self- To express likes and dislikes

Understanding emotions- Start to learn boundaries and become familiar with routines.

Communication & Language

Listening & Attention- To join in with song time.

Understanding- To understand simple instructions.

Speaking- To start a basic vocabulary using simple words, single words I.E Cat, Dog or Ball

Physical Development

Moving & Handling- To be able to confidently walk.

Health & Selfcare- To sit at the table for mealtimes, coordinating use of appropriate cutlery.

Literacy

Reading- To look at books with confidence, turning pages and looking at illustrations with interest.

Writing- Make marks in a variety of ways to improve sensory exploration.

Mathematics

Begin manipulating shape to build an understanding of big/small.

Understanding the world

People & Communities- Start to build an imagination to explore in role play.

Technology- Show an interest in cause-and-effect activities.

The World- Match objects together I.E lid on the teapot.

Expressive Arts & Design

Creating with material- Create sounds by banging, tapping, or shaking.

Being imaginative & Expressive- Know simple animal sounds.
